SCIENCE AND TECH

COURSE FLEXIBILITY

We maintain a flexible approach across our courses delivering both skills-based and theoretical learning, whilst also providing opportunities to work with real clients to ensure that you are practically equipped for your career.

STATE-OF-THE-ART FACILITIES

Our incredible facilities allow you to work with world-class equipment to enhance your skillset, this includes the design and innovation centre – redLoop, and the brand new £23 million redevelopment project of the West Stand at Saracens’ StoneX Stadium.

GRADUATE SUCCESS

Our graduates have gone on to apply their skills and learning within roles at the likes of Arsenal FC, Dyson, Ernst & Young, FIFA, McLaren Automotive, Nike, Public Health England, the RFU and Transport for London.

EDUCATION

LEARN FROM EXPERIENCED PROFESSIONALS:

You’ll be taught by experienced academics who are research leaders across areas such as diversity, child development, multilingualism and education.

You will be allocated a Personal Tutor to receive the academic and well-being support that you need as well as a wealth of university resources and Learning Enhancement Team support to help with academic writing and numeracy.

STRONG EMPLOYABILITY PROSPECTS:

Our graduates have an excellent reputation within the profession, and our employment rates are extremely high. Many graduates gain their first class teacher role in the school where they carry out their final School Experience, and many also continue to work with the university as members of staff in partnership schools.

HEALTH

SUPPORT YOUR CAREER:

Our students have the opportunity to build excellent relationships with charities, local authorities and health authorities.

STATE-OF-THE-ART-FACILITIES:

Your studies are supported by brand new state-of-the-art facilities including unique access to Virtual Reality/Augmented Reality and industry-leading simulation equipment.

STUDENT SUPPORT:

Our support staff really do put our students first – from 1-1 tutoring to our Canine Teaching Assistants, who help our students relax and find calm during assessments and busy times.

LAW

COURSE FLEXIBILITY:

Our hybrid model of on-campus and online learning coupled with part time study options allows you to tailor your learning and progress at a pace that fits their circumstances.

ENHANCE YOUR CAREER PROSPECTS:

Any postgraduate law qualification is highly marketable and previous graduates of our programmes have gone on to work for legal departments of public and private sector organisations, multinational companies, international organisations, governmental departments and within the judiciary.

LEARN FROM INDUSTRY EXPERTS:

Learn from teaching staff who are engaged in major research across a range of fields including commercial law, human rights, international law, and European law.

BUSINESS

TOP UK UNIVERSITY FOR PRODUCING BUSINESS LEADERS

A recent study identified Middlesex University as one of the top 20 UK universities for producing business leaders, including business owners and CEOs (Novuna Business Cashflow, 2023).

ENHANCED CAREER OPPORTUNITIES

Many of our postgraduates have gone on to secure roles at organisations such as Bank of America, Bank of England, Barclays, Credit Suisse, Deloitte.

OUTSTANDING FACILITIES

Gain access to our state-of-the-art Financial Markets Lab alongside financial software such as Bloomberg, Datastream and Sage.

OUR ALUMNI

"When I came to see the University, the people I spoke to inspired me. The teaching, practical examples and opportunities I had during the course made me happy about my choice."

One of the modules, on Digital Marketing, made me choose my career. Some of the things that I learned at Middlesex I still apply, like SWOT analysis and market research. In fact, this is exactly what I do now."
